

SUBJECT:	Architecture of Workplaces 2 Practice of Industrial Building Design	SESSION	SEMESTER	YEAR
LECTURER:	Bartók István DLA associate professor Árva József DLA assistant professor	2020/2021	1st	III.

CONDITIONS OF FULFILMENT

LECTURES AND PRACTICE

PREREQUISITES	Due to the faculty's regulations those students can sign up for this course who have successfully accomplished the subject Public Design 2 and Architecture of Workplaces 1.
PRESENCE AND OTHER CONDITIONS	Attendance of lectures and consultations. Only the active practice; consultation and presentation counts for presence.
TASK AND FORM	During the practice lessons students have to design one project due to the "Course description". Students complete their task in team-work. Teamwork of 2 students is obligatory. The marks of the team members are the same. During the course common mid-term presentations/ evaluations are to be completed.
PRESENCE	Participation in 70% of the lessons is set as a condition. Only the active practice counts for presence. In case of absence from more than 30% of the total number of lessons the credits of the course cannot be obtained. Max. 4 lessons absence is allowed.
SCHEDULE OF HANDING IN	The submission of mid-term presentations may be delayed due to the dates in "Topic schedule", but in case of a repeated, or delayed presentation, submission, the value of the project is reduced by one mark! There is no reduction in case of the final submission!
MIN. REQUIREMENT OF ACCOMPLISHMENT	Accomplishment of all mid-term submissions with at least a pass level. On time submission and accomplishment of the final project with at least pass level. By the deadline due to the timetable the final project must be submitted – irrespectively of its readiness. In case of missing the final, delayed submission deadline the credits of the subject cannot be obtained!
CONDITIONS OF COMPLEMENTATION	At the final evaluation of the subject the quality of the submitted final project, the results of the mid-term presentations and the quality of the students work throughout the semester will be considered. The final mark will be determined by the department's semester-ending Grading Conference, it is not necessarily the average of the separate marks given during the semester.
TIME SCHEDULE AND SUBMISSION	You can find more detailed semester schedule, content and formal requirements in the "Topic schedule" and "Course description". Project submission 12⁰⁰ Friday 11th December 2020 Delayed submission 12⁰⁰ Friday 18th December 2020 (with late fee)
CONDITIONS OF PRACTICE REPLACEMENT	Studio work and presentation can only be replaced in case of justified absence. Failed fulfilment can be replaced / repeated due to the "Course description" and the Faculty's regulations.
